

## LITIGATION AND TRIAL

---

Rutan's trial lawyers:

- Work closely with each client's in-house counsel and executive team to clearly understand the client's goals, and develop winning strategies tailored to the needs of each case;
- Make cost-effective recommendations to deal with every phase of the litigation process, utilizing client resources when appropriate;
- Vigilantly watch for opportunities to resolve cases short of trial and appeal by using motions to dismiss and for summary judgment, mini-trials of specific issues, and mediation, when appropriate; and
- Pride ourselves on delivering value through superior service toward each client's goals.

Our extensive experience includes the following areas:

- [Business and Commercial Litigation](#)
- [Construction and Infrastructure Litigation](#)
