

CORPORATE FINANCE

Rutan & Tucker works on a broad range of public and private corporate finance transactions, representing both domestic and foreign issuers in a variety of industries, including technology, healthcare, and life sciences.

STARTUPS

Our Emerging Companies practice includes legal representation of hundreds of clients. We understand the challenges of operating a brand new company and growing an early-stage company to maturity. We offer excellent and competitively priced legal services for our clients who are most in need of a partner and not just a legal advisor. We are able to assist startups on all aspects of their business, ranging from entity formation to venture capital financing and through to an exit.

PUBLIC COMPANIES

Our Capital Markets practice includes legal representation of hundreds of clients. We provide companies with securities law advice and corporate governance counseling. We also monitor industry trends and provide our clients with timely advice and feedback.

MERGERS & ACQUISITIONS

Our Mergers & Acquisitions practice includes representation of hundreds of clients. We provide clients with assistance in key transaction documentation, regulatory compliance, and strategic decisions.

PRIVATE EQUITY

We have experience representing investment funds, institutional investors, and private equity fund portfolio companies. Our team has significant background in structuring transactions to ensure the best outcome for our clients.
